Accor is committed to **fight abuses against children and child sex tourism since 2001**, with a global partnership with ECPAT and The Code of Conduct.

With 3 700 hotels located in 92 countries, Accor aims at reaching **70% of hotels committed to child protection by 2015**.

This movie was developed by Accor together with **ECPAT and French Authorities DCI**

(*Direction de la Coopération Internationale*) & **OCRPV** (*Office central pour la répression des violences aux personnes*)

This movie is part of Accor global program called **WATCH** (***We Act Together for CHildren***), mobilizing top management and hotels staff with training kits and reporting procedures.
